Dear Areesa  Ashfaq,

We are pleased to inform you that your article with Paper ID "189" titled "Visual Question Answering Based
on Object  Detection and Recognition" has been accepted with minor revision for presentation at the 2024
26th International Multi-Topic Conference (INMIC), which will take place at Salim Habib University,
Karachi, Pakistan from December 30-31, 2024.
Your submission was selected from a large pool of high-quality research, and we are excited to feature
your work in this year's program. To proceed, please complete the following steps:

1.      Pay the conference registration fee as indicated on the conference website (https://www.shu.edu.pk/
INMIC2024), and register for the conference via https://tinyurl.com/INMIC2024.

2.      The Camera-Ready submission is open from November 1, 2024. Please ensure that all reviewer
comments are fully addressed. The conference organizers are not responsible for errors or formatting
issues in the final submission. Please follow the instructions provided on Microsoft CMT:
https://cmt3.research.microsoft.com/INMIC2024.

3.      Submission Deadline: Please ensure you submit the Camera-Ready paper and the IEEE copyright form
by November 28, 2024.

Oral presentation guidelines are available on the conference website. Once you submit the Camera-Ready
paper, please begin preparing your presentation. We may ask you to share your presentation at least one to
two weeks before the conference date. All national participants are required to attend the conference in
person at Salim Habib University, following the schedule shared with registered participants only.

Thank you for your valuable contribution, and congratulations on your acceptance! We look forward to your
participation in INMIC 2024.

Best regards,

Technical Program Committee Chair
INMIC 2024

---
Editor's Comments:
- Please ensure you have thoroughly reviewed the full-length paper submission guidelines provided on the
conference website.
- Make sure that your paper adheres to the IEEE conference paper template, available either on the
conference website or the official IEEE website.
- The plagiarism and similarity index must be less than 18%, and no AI-generated text is permitted.
Additionally, the paper length must not exceed six pages, including references.

Reviewer's Comments:
The paper provides comprehensive analysis and could be considered for publication.
